Retraction Note: Improving cloud efficiency through optimized resource allocation technique for load balancing using LSTM machine learning algorithm

Moses Ashawa^{1*}, Oyakhire Douglas¹, Jude Osamor¹ and Riley Jackie¹

Journal of Cloud Computing (2022) 11:87 https://doi.org/10.1186/s13677-022-00362-x

The Editor in Chief has retracted this article because Figs. 3, 4, 5, 6 and 7, data Tables 2, 3 and 4, algorithms 1 and 2, as well as conclusions, appear to overlap with a previously published article by a different author [1]. All authors disagree to this retraction.
